

# Tackle drop-out and youth unemployment

## CLEAR TARGETS

- ❑ Prevention early school leaving
- ❑ Reducing youth unemployment.
- ❑ Reducing social & economic exclusion
- ❑ Reducing benefit payments /costs

**COMBINED APPROACH – FOCUS ON:**  
**Work + Education + Housing + Coaching**

### TARGET GROUPS:

- risk dropping out (school / work)
- already dropped out
- multi problems: vulnerable / social / finance / youth care
- far from entering the labour market.

- Program: 9 -12 months.
- Implementation: local / regional / national

## WHAT WE DO

### LOCAL JOINT VENTURES

- \* employers
- \* educational institutions
- \* youth support
- \* housing associations
- \* local municipalities

## INNOVATIVENESS AND SUCCESS

- determine dropping out & access to work
- new way of sustainable collaboration
- Investments by public & private partners
- Innovative integrated approach; no silo's
- Basic necessity: Housing & living
- EU: Best Practice the Netherlands - RESL

## TACKLING EARLY LEAVING !

- approx. 90% of participants do not drop out;
- \* follow a higher-level course or enter employment
- obtain a qualification, (projects: Social Cost / Benefit Analysis)
